NORTH DEVON BLINDS...

Have been established for the past 25 years.

All the products in our range are manufactured by ourselves at our factory in South Molton which means that we are able to offer the very best fabrics and components but, competitively priced as there is no middle man... Direct from the factory to you!

Incorporating the 'WINDOW BLIND CENTRES'

BARNSTAPLE - TAUNTON - DORCHESTER

VERTICAL BLINDS...

Are a relatively cost effective way of using blinds to cover large area's. Their sleek, elegant lines compliment most surroundings and with a huge variety of shade, design and fabric available as well as the option of 89mm or 127mm blades, they can be used in a variety of applications

ROLLER BLINDS...

Are individually manufactured to your personal specification and can include those finishing touches using our distinctive collection of Trims, Braids and Poles which allow you to personalise your blind to suite your interior decor.

NATURAL WEAVE WOOD BLINDS...

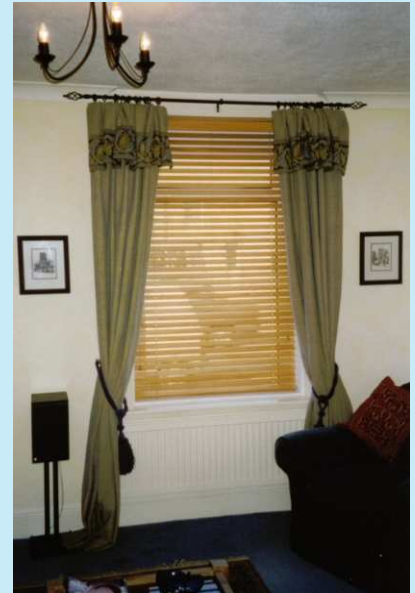

Are a collection that utilise specially selected wood and bamboo products from around the world brought together to provide you with a tremendous choice of naturally appealing window blinds suitable for conservatories, or for that matter, any style of window, bringing nature into your home.

VENETIAN BLINDS...

Sun control at your fingertips. A simple twist of the wand enables you to tilt the slats allowing the preferred amount of light to filter into the room. Venetians are also the perfect answer for areas where privacy is required while still allowing light through.

Available in a wide range of plain colours or the ever popular 'Aluwood', a wood effect realistic enough to enhance any rustic decor.

Wooden Venetians... manufactured from American Basswood and are available in a range of natural timber shades, in 50mm or 25mm slat widths

'SPECIALISTS IN CONSERVATORY BLINDS'

PLEATED BLINDS...

The ideal shading solution designed exclusively for your conservatory roof, able to cover almost every angle or shape and available in Translucent or Energy saver fabric, 'keeping you warm in winter and cool in summer'. Also ideal for doors and Velux windows.

AWNINGS....

Our superior range of awnings are retractable into a fully enclosed cassette when not required either with manual operation, or motorised with wireless remote. All fabrics are 100% solution dyed acrylic that will not fade, rot or mildew.

Dutch Canopies... also available to keep your home cool or simply as an external protection from the sun. All awnings covered by a 5 year guarantee.

COMMERCIAL....

On the COMMERCIAL aspect of our business, we cover the supply and installation of... HOSPITAL CUBICAL TRACKS, SEALED UNIT BLACK OUT BLINDS, (as used in Xray Departments, etc), and various blinds for use on Industrial and Commercial applications.
